

Cabin Fever Blowout

by Anne Parsons, Chair

Cabin Fever lived up to its name this year for sure. I think we're all pretty tired of winter except the winter sports enthusiasts and I am surely not one. It was a fun day, with our usual "over the top" brown bag auction, put together by Mary Lou and Glen Graper and assisted by Donna Mosco. Thanks to all the people who donated items to make this a success. Joyce Arivella took charge of the games. Dress Parade and Musical Hula Hoops had excellent participation, and was as much fun to watch as to be in the game.

Carol Loughlin trimmed the feet and ears of many winter-shaggy Newfs, while her granddaughter,

Nevaeh, greeted people, passed out questionnaires, and socialized puppies. Keith Mallinson was available to Newf owners for information on Working Events. Donna Thibault did a great job judging our match show.

Best Adult "Seamus" – Rob and Deb Ball

Best Opposite Sex "Twinkie" – Sheila & Keith Mallinson

Best Puppy "Boom" – Sheila & Keith Mallinson

Best Opposite Sex "Allie" – Anne Parsons

The quality of both pups and adults was lovely. Thanks to Annie, Sheldon, Phoebe, Loki, Gusto and the others for making their owners proud.

Thanks to Lori Bryant for making Rescue information available to all, and to Jean Cote, who always cheerfully takes on just about everything she's asked to do, which tends to be a lot.
